

Your golf league. From auction day to the final putt.

Bring team selection, squads, fixtures, match draws, standings and MVP rankings into one connected league experience.

MADE FOR YOUR LEAGUE For golf clubs, club committees and independent league organisers.

ONE SHARED SEASON

Four parts. One connected experience.

01 / THE HOME BASE

Give everyone a shared home.

Bring teams and squads, fixtures, standings and individual performance together in a public league hub.

02 / TEAM SELECTION

Build your teams.

Explore core selection, auctions or snake drafting, with category pools, team purses, roster progress and dedicated public displays.

03 / MATCH DAY

Prepare for the first tee.

Organise group and knockout fixtures, with match draws showing tee times and handicap details. Confirm your exact rules in a walkthrough.

04 / THE COMPETITION

Follow every finish.

Give players and followers a place to check league standings and MVP rankings throughout the season.

Bring your league into focus.

A useful starting point for the conversation:

- ✓ Club or league name
- ✓ Selection process or existing squads
- ✓ Approximate team count
- ✓ Formats and competition structure

Still deciding? You can request guidance without every detail settled.

YOUR ROUTE TO READINESS

From first conversation to a ready league.

Share your plans, agree the setup and prepare your organisers before the first event.

45 min Online demo: 30-minute walkthrough + 15-minute Q&A	5–10 days Working days for a standard setup	1 coordinator Your point person for information and approval
---	---	--

Setup timing starts after scope agreement and complete information. Complex rules or event arrangements may need more time; your launch date is confirmed separately. Demo times are confirmed by email.

- 1 Agree the plan.**
Review your league structure, selection process, formats, key dates and support needs. Confirm that your proposed rules fit the setup.
- 2 Prepare the information.**
Your coordinator supplies accurate team, player and handicap information, competition rules and the planned schedule. Required fields and the supply method are agreed before setup begins.
- 3 Configure, check and approve.**
Golforb handles the agreed initial configuration. Your coordinator checks the details, confirms the rules and approves the setup before use.
- 4 Prepare your organisers.**
Standard setup includes one 45-minute online organiser training session and a readiness review with your coordinator.

Support through the season.

Standard email support

Monday–Friday, 10 am–6 pm IST, excluding public holidays. We aim to provide an initial response within one working day.

Support for the agreed configuration is included in your quotation. Resolution time depends on the issue and information needed.

Selection-day assistance

Live auction, draft or other event assistance is arranged separately. Hours, channel and price are confirmed in writing.

Request coverage at least seven calendar days ahead; availability must be confirmed.

SCOPE, SUPPORT AND NEXT STEPS

A clear scope before the first tee.

Your quotation is shaped around team count, competition structure, selection-day requirements and support scope.

Per league.
